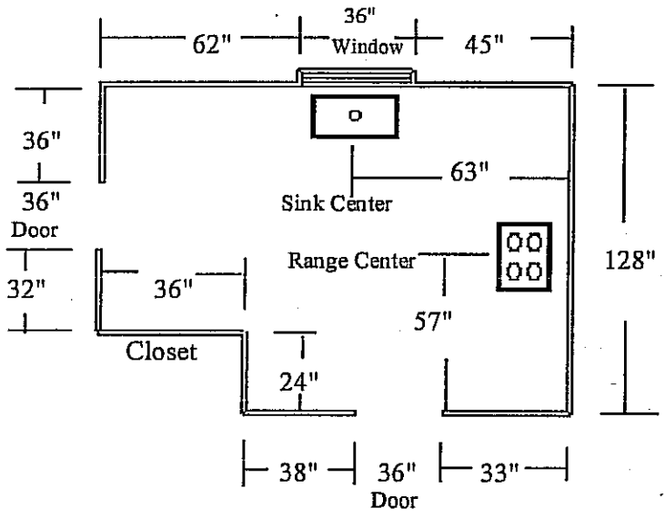
Please take a moment to measure your kitchen and use our design service.



Make a rough sketch of your kitchen floor plan like the sample provided. Don't worry about existing cabinets. Just follow these simple steps :

1. Start measuring from a corner.
2. Include moldings on all windows and doors.
3. Continue measuring around the room.
4. Measure from the center of your sink.
5. Measure from the center of your range or cooktop.
6. Measure your ceiling height.
7. Draw a rough sketch below giving all measurements in inches. *Remember to include baseboard heating & radiators.*
8. Fill in the "appliance checklist" below.
